

REMARKS CONCERNING THE AMENDMENTS

The above amendments have been made in an effort to more clearly define the present invention and to respond to issues raised in the rejection.

Claim 14 was amended to a specific compound disclosed in the application wherein, according to the formulae in claims 12, R1 is 4-methoxyphenyl, R2 is a phenyl, R3 and R4 are both ethyl, m=1 and n=0.

REMARKS CONCERNING THE REJECTIONS

The above amendment has been made to more clearly define the present invention and to respond to issues raised in the Office Action. Applicant respectfully submits that the above amendments place the application in condition for allowance. All claims now depend from an allowable claim, and all claims should be allowed.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicant's attorney of record, Mark A. Litman at (952) 832-9090.

Respectfully submitted,
